Jewelry images shown may have been enlarged or retouched to show details. Prices shown may change without notice due to market conditions and fluctuations. Diamond carat total weight (ctw) represents the approximate carat total weight of all the diamonds set, unless noted. Diamond total weights may vary between 0.01 and 0.07 ct. All pendants priced with chains. Natural colored diamonds may have been treated or enhanced by heating or irradiation. Natural colored gemstones may have been treated or enhanced by heating, irradiation, oiling, filling, or diffusion. Photographic, typographical, and print errors are subject to correction. Some styles featured in the catalog may not be immediately available, but may be ordered.
